### MEDIA RELEASE

#### **Police & Defence Force Raid Uncovers Cannabis, Firearm, Ammunition and Arrest Three in Matelot**

A joint operation conducted in the Matelot District on Friday, September 26th, 2025, resulted in the destruction of three illegal camps, the seizure of firearms, ammunition, a large quantity of cannabis, and the arrest of two wanted gang members.

The intelligence-led exercise took place between 11:30 a.m. and 8:00 p.m., targeting two Matelot men wanted by the Homicide Bureau of Investigations (Region 2) in connection with a murder investigation. Intelligence suggests both individuals are affiliated with the Matelot faction of a known gang and frequently retreat into remote forested areas to evade capture.

A team of officers journeyed approximately three miles into the forest, where they discovered a well-concealed camp. Upon approach, two armed suspects fled the scene. A subsequent search of the area led to the discovery of:

1,300 fully grown marijuana plants (estimated street value: TT\$1.5 million)

One homemade shotgun

Four 12-gauge cartridges

Thirty-two rounds of .380 caliber ammunition

Nineteen rounds of 9mm ammunition

Ten pounds of dried marijuana (estimated street value: TT\$68,000)

One male suspect, identified as a resident of Cemetery Street, Matelot, was found hiding among the cannabis plants and was arrested on site.

During continued searches, officers located a second camp where another homemade shotgun, loaded with a single 12-gauge round, was recovered.
