MEDIA RELEASE

Firearm Seized, 2 Stolen Vehicles Recovered in ND, NCD

A firearm was seized and two stolen vehicles were recovered during exercises in the Northern and North Central Divisions over the past 24 hours.

Between midnight and 3 am on 3rd August, 2024, officers of the Northern Division, Area North, were on exercise duty when they received credible information which led to Mausica Lands, Arima. There, they searched a particular grave site in the cemetery and found a black and brown homemade shotgun. The item was seized and PC Beepath is continuing enquiries.

Earlier that day, officers of the Malabar Police Station proceeded to Nutones Boulevard, Malabar, where they observed a vehicle abandoned along the roadway. Checks revealed that the silver Nissan Wingroad was reported stolen the same day in the district. The vehicle was then wrecked to Malabar Police Station and PC Persad is conducting further enquiries.

Additionally, at approximately 2:18 pm, in the North Central Division, officers of the Northern Division Gang Intelligence Unit (NDGIU) were on exercise duty when they recovered a white Nissan AD Wagon on Toussaint Lane, Tunapuna, which was reported stolen earlier that day. The vehicle was then wrecked to the Arouca Police Station pending further enquiries.

Investigations are continuing into these matters.
