Workman Charged for Sexually Touching Girl, 13

A 59-year-old labourer of San Juan is expected to appear before a Port-of-Spain Magistrate today charged with sexual touching of a minor.

The Child Protection Unit (CPU) charged the man on November 28th following a report made to police by a 13-year-old girl that a man allegedly sexually assaulted her.

W/Cpl (Ag) Williams took lead of the investigation during which she discovered that while performing work at the home of the girl's grandmother, the suspect saw her and kissed her on neck breast when no one was around.

The girl confided in her grandmother the following day who made a report to police.

The man was subsequently arrested and charged with one count of sexual touching of a minor.
