MEDIA RELEASE

Stolen Vehicle Recovered, Firearm and Ammunition Seized

Officers recover a stolen vehicle and seize firearm and ammunition in Valencia yesterday.

At approximately 9:00 a.m., on September 6th 2024, officers from the Emergency Response Patrol (ERP), including PC Stevenson and PC Mohammed, received information about a stolen vehicle. The vehicle had been reported missing from the Northern Division.

In response, the officers proceeded to a property located at Clarence Trace, Valencia. There, they engaged with PC Lewis from the Gang and Intelligence Unit and North Western Division, who provided additional details relevant to their investigation.

Upon arriving at the scene, the officers entered an unsecured two-storey building off the eastern side of Gomez Trace. During their search, they observed a male fleeing the premises and subsequently disappearing into nearby foliage. Following this, the officers discovered a magazine containing one 9mm live round.

Continuing their search, the officers located the stolen vehicle approximately 150 feet from the building. The vehicle was processed and taken for further investigations.

Enquiries are continuing.
