Officers of the Western Division Task Force seized another firearm and a quantity of ammunition yesterday after they quickly responded to a report of men carrying weapons in St James.

Upon receiving the information officers proceeded to Upper Aboud Circular, St James, where they began an intense search on foot in the hillside of the community.

Shortly afterward the officers observed four men running from a wooden shed.

A chased ensued, but the suspects were able to escape.

When the officers conducted a further search in the tracks and footpath of the area, they found one pistol with six rounds of .40 calibre of ammunition, hidden amongst a pile of wood.

The matter is still being actively pursued.
