MEDIA RELEASE

Cannabis, Firearm, and Ammunition Seized in Port of Spain and Morvant Districts

A roving mobile patrol within the Besson Street, Morvant, and Port of Spain districts has resulted in the seizure of cannabis, a firearm, and ammunition.

Between 2:00 p.m. and 8:00 p.m. on April 9, 2025, officers conducted searches of several areas, including drug blocks and abandoned buildings, within the aforementioned districts. At 3:40 p.m. in Sea Lots, officers searched an abandoned structure and discovered a black cling-wrapped package along with two clear plastic packets containing cannabis. The cannabis weighed 227 grams.

Later, at around 5:45 p.m., officers proceeded to Cipriani Avenue, Second Caledonia, Morvant. During a search of a grassy plot of land, an officer discovered and seized 49 rounds of 9mm ammunition, along with a black police cap wrapped in a clear package. All items were taken to the Morvant Police Station, where a formal report was made.

In a separate incident between 7:00 p.m. and 11:00 p.m., officers conducted mobile patrols within the Port of Spain, Laventille, and Belmont areas.

While searching an open, bushy area, an officer discovered a pouch containing a firearm, which was fitted with a magazine containing 15 rounds of 9mm ammunition, hidden near a bamboo stool. A further search of the pouch revealed 11 rounds of 5.56mm ammunition and 3 additional rounds of 9mm ammunition. All items were seized.

These operations were spearheaded by Senior Superintendent Spence, Superintendent Ramsook, and Inspectors Burris and Steele, with officers from the Besson Street and Morvant Police Stations.
