Officers of the Western Division seized 358.3 grams of cocaine valued at approximately \$500,000 during an exercise yesterday.

The exercise, which included officers from Western Division Gang and Intelligence Unit, Western Division Ops, and the Canine Unit, led the officers to a building in the Port of Spain area.

Officers entered the building where they found a man with a box. The officers on searching the box, found a small packet containing a quantity of cocaine. The suspect also had two forms of identification on his person, both bearing his image but with two different names.
