MEDIA RELEASE

Grid Patrol System Success- 2 Suspects Arrested, Stolen Vehicle Recovered

Two men were arrested after police intercepted a vehicle minutes after it was reported stolen in the Southern Division today.

Around 12:30 am today, Saturday 8th October 2022, a man was seated in the driver's seat of his Nissan Wingroad motor vehicle, which was parked off the Bonne Aventure Road, Gasparillo.

Two men approached the vehicle, then ordered the man to exit his vehicle and to enter the "back seat". The man became fearful, he pushed one of the suspects and ran away. The two perpetrators then drove away with the vehicle. The victim then made a report at the Gasparillo Police Station.

While operating under the Active Directed Grid Patrol System, PC Soogrim, and a party of officers from Gasparillo Police Station responded to the reported incident. Being on high alert, the officers observed the said stolen vehicle proceeding in a northerly direction along the Solomon Hochoy Highway.

The officers gave chase and alerted St Margaret's Police, who also joined in the pursuit of the vehicle. The team of officers eventually intercepted the vehicle along Cedar Hill Road, Claxton Bay.

Two suspects were arrested and conveyed to Gasparillo Police Station.

Investigations are continuing.
