A teenager was among three persons arrested for firearm related offences during anti-crime exercises conducted in the South Western Division yesterday.

Task Force officers conducted an exercise in the Siparia district around 3:30 pm, on Tuesday 25th, March, 2025, during which they proceeded to Sudama Alley.

There, they apprehended two male suspects and conducted a search which resulted in one revolver loaded with six rounds of ammunition in the possession of one of the men.

The suspects, a 36-year-old of Guapo and a Form Five student of Palo Seco, were arrested in connection with the find.

Meanwhile, in the Cedros district, officers assisted by the Canine Branch and personnel of the Trinidad and Tobago Defence Force, conducted an exercise over the weekend which resulted in the arrest of a 42-year-old fisherman of Icacos Beach Road, for possession of a Glock-17 pistol, loaded with a magazine containing eight rounds of ammunition.

The officers then proceeded to a coconut estate along the Icacos beach, where they conducted a search, which resulted in the discovery of a plastic bag containing three magazines and 84 rounds of assorted ammunition.
