Two suspects are now in custody after police recovered a stolen vehicle during an anti-crime exercise in Cunupia yesterday. Around 2 pm yesterday, a man received a call that two persons were pushing his Blue Mitsubishi Lancer Evolution 6 outside of his home, located at Wendy Fitzwilliams Boulevard, Diego Martin. When he checked sometime later, he observed that the vehicle was missing, along with one Miller Welding Plan, valued at \$3000.

However, during an exercise conducted in the Cunupia Police Station District yesterday, the Blue Mitsubishi Lancer Evolution 6 was recovered and two suspects, a 39-year-old man and his 29-year-old girlfriend were arrested. The exercise was conducted members of the West End Criminal Investigations Department with the assistance of the Western Divisional Gang Unit.

Meanwhile, police reports indicate that around 10.30 pm on Wednesday 31st, a man arrived at his Casselton Gardens, Trincity home and while opening his front gate, a white Ad Wagon pulled up along his vehicle. Two men exited and approached the man. One of the assailants pointed a firearm in his direction and demanded the keys for his Honda City vehicle. The man complied and he was also relieved of one Samsung cell phone. The men then entered the victim's vehicle and drove off in convoy with the white Ad Wagon in a westerly direction along the said street.

Officers responded and mounted a search for the stolen vehicle. Around 11:33 pm whilst officers of the San Juan Criminal Investigations Department (CID) were on mobile patrol, they observed a white Honda City parked along
