#### **One Arrested, Stolen Vehicle Recovered in La Romaine**

Officers from the La Romaine Police Post and the San Fernando Crime Patrol Unit successfully recovered a stolen vehicle during an Anti-Crime Stop and Search operation in the La Romaine district yesterday.

At approximately 11:00 p.m. on Monday, September 15<sup>th</sup>, 2025, during the exercise, PC Jugoon stopped a silver Nissan AD Wagon along La Plaisance Road, La Romaine. The vehicle was occupied by a 30-year-old man of Marcano Street, Princes Town.

Officers identified themselves and informed the man of the nature of the operation. Upon request, he produced a driver's permit and certificate of insurance, both of which were found to be expired.

Further checks conducted by PC Jugoon revealed that the chassis number on the vehicle did not correspond with the chassis number registered to the vehicle's license plate, raising suspicions of tampering. The suspect was detained, and the vehicle was transported to the San Fernando Police Station.

Subsequent investigations by Inspector Lazarus of the Stolen Vehicles Department confirmed that the chassis number belonged to a silver Nissan AD Wagon reported stolen in 2018 from the Woodbrook Police District.
