A Venezuelan was among three men who were arrested by officers of the San Fernando Criminal Investigation Department (CID) for Warehouse Breaking and Larceny.

It was reported that on Tuesday 9th March, 2021, a member of staff of Ice Solutions limited contacted the owner informing him that there were persons who were removing a quantity of truck parts. The San Fernando Police were subsequently contacted and officers of the CID responded to the report. Upon arrival, officers intercepted a white three-ton truck with the three suspects. Officers conducted a search of the vehicle and discovered a compressor, one iron table, and four chrome rims with tyres valued at \$30,000.

The three men were arrested and conveyed to the San Fernando Police Station, where they are expected to be charged for the offence.
